Walk of evo

We are putting our **best foot forward** with the **Walk of evo!**

Employees across evo Group are coming together across ten days to raise money for the newly established evo Foundation. Our teams, including the evo Group Board of Directors, will be trekking **274 miles** across the country, with distances ranging up to **33 miles per day**.

To help cheer them on, colleagues from across the wider company will be coming together to walk within their own communities and help fundraise. Each penny raised will go a long way to enabling evo Foundation to support people to take their next steps towards a brighter future through the **advancement of education** and **prevention of poverty**.

If you are in a position to do so, please send your donation via the button below.

Keep an eye on our evo Foundation social media accounts to keep up to date, step by step, with our volunteer's progress and to help cheer them on.
